Serial No. 10/617,171

REMARKS

INTRODUCTION

In accordance with the foregoing, claims 1, 5, 6, 10, 11, 15, 16 and 20-22 have been

amended. Claims 1-23 are pending and under consideration.

ADVISORY ACTION

In the Advisory Action mailed February 28, 2007, the Examiner noted that the

Amendment After Final filed on January 30, 2007 would not be entered. The present

amendment is therefore based on the listing of claims as of the Amendment filed on October 5,

2007.

In the present amendment, independent claims 1, 5, 6, 10, 11, 15, 16 and 20-22 were

amended in accordance with the Examiner's suggestion to add the limitation that the connection

mold is only formed on an outer circumference of the voice coil on a distal end relative to a pivot

hole of the arm. Regarding claim 24, it is respectfully noted that this claim has not been entered.

Withdrawal of all outstanding rejections is respectfully requested.

CONCLUSION

Finally, if there are any formal matters remaining after this response, the Examiner is

requested to telephone the undersigned to attend to these matters.

If there are any additional fees associated with filing of this Amendment, please charge

the same to our Deposit Account No. 19-3935.

Respectfully submitted,
